

The background of the page features a light, sketchy illustration. It depicts a large, classical-style archway or entrance, possibly leading to a garden or a different architectural space. To the right of the arch, there is a vertical rectangular frame containing some abstract, wavy lines. In the lower right foreground, there is a simple line drawing of a person, possibly a woman, standing and looking towards the left. The overall style is artistic and minimalist, using light grey and black lines on a white background.
