

# Table of Contents

|    |    |                                           |
|----|----|-------------------------------------------|
| p. | 9  | 1. Introduction                           |
|    | 13 | 2. Sulfonated Aromatic Polymers (SAPs)    |
|    | 19 | 3. Block Copolymers                       |
|    | 20 | 4. Composite SAPs                         |
|    | 25 | 5. Cross-linked SAPs                      |
|    | 44 | 6. Membranes Preparation                  |
|    | 47 | 7. Membranes Applications                 |
|    | 57 | 8. Conclusions                            |
|    | 59 | Conflicts of Interest and Acknowledgments |
|    | 59 | References                                |
